Total Amount Requested from the OAA for FY24:

Overview of Proposed Grant Program:

This grant will be used for the purchase of medication lock boxes and education materials related to opioid safety and misuse. Lock boxes will be provided for free to citizens in need. They will be distributed by various county departments and/or partners. The need was determined from interviews with local law enforcement and social workers to determine the substance use and availability in the county. The gap was clear in knowledge and resources around drug safety.
